Suppose this massacre had occurred in Mississippi, Alabama or Georgia, instead of the loyal State of Iowa, what a howl would have gone up from all Radicaldom! And how petitions would have gone to Washington for U. S. troops. And what a hurrying to and fro there would have been of armed men with all the pomp and circumstance of war. And how scalawag Governors would have called for an effective Militia and Secret Service Funds to bring the guilty to punishment, and to subject to rigorous inquisition, those who are not guilty. And how the Beast who has charge of the Reconstruction Business in Congress would have gnashed his teeth, and demanded that the offending State be made subject to the pains and penalties of being "set back" in the class of unreconstructed commonwealths and her government reorganized.

But the blood of the annointed, luckily for the quietude of the country at large, was shed within the precincts of loyalty and the massacre will serve only to fill half a column of the newspapers with a sensational item, to be heard of no more forever. It occurred not within the lima its of the "reconstructed" communities: and outside of them, who cares for the poor African.
